

## Help Needed cont'd:

---

- **Library:** is currently gearing up to put all of its resources on a computer program. Before this can happen we will need to take an inventory of all materials including those that are currently on loan. Please return all resources you may have at home within the next few weeks. Especially DVDs.
- **Sound board:** if for some reason you need access to the sound board system, please contact the church office. The sound board is only to be used by the tech team. A lot of time has gone into learning how to use this system. The tech team is happy to assist you in any way.

## Special Events:
