IN HIS CARE;

Thank you so much for the wonderful and welcome donation of sleeping bags to the Shepherds of Good Hope. For twenty years we have been serving hundreds of poor and homeless people on a daily basis and the generosity of our donors never fails to amaze us.

The winter cold of the coming months only increases the need for the warmth and comfort of items of this nature, and you can be certain your gifts are truly heart warming as well.

Every time a hand reaches out to help another is the true spirit of Christmas and we pray you will receive the many blessings of the Season.

Together in prayer,

Robert Eady,
Communications Adviser,
