Trinity Bible Church of Ottawa

Is this true of you?

1. I have received Jesus Christ as my Saviour. Therefore I am a member of the worldwide body of Christ, his Church. I recognize Christ's call on my life to live according to his word, the Bible.
2. I choose to live out this call as a member of this local body: Trinity Bible Church of Ottawa.
3. I have reviewed and agree with the doctrinal statement of Trinity Bible Church of Ottawa, and the doctrinal statement of the Associated Gospel Church (AGC) of which TBCO is a part.
4. I am aligned with the mission, vision, values, and purpose of Trinity Bible Church of Ottawa.
5. Every member in the Church is an essential part of the body, and has been given natural talents and spiritual gifts. As he directs, I will use my gifts and talents to serve Christ in this local body.
6. The pastors and elders within this church minister in a servant/overseer role. I intend to support their Biblical role through prayer, encouragement, cooperation, and honest, loving communication.
7. Active members are essential to healthy growth and maturity of the local body. As led by the Holy Spirit, my desire is to: financially support this church, pray for its members and adherents, be regular in attendance, advance the Great Commission, love my brothers and sisters in Christ in practical ways, walk in God's Holy Spirit, and be a student of the Bible.
