News from the James

Greetings from the Isle Of Spice

It is Summer time when many people are on holiday, spending time with the family. Hope you have been having great summer.

Family News

It has been about two years since we last visited. It was a great time for the kids as they spent time on swings, slides and trampolines. It was a great time visiting Church, friend and family. We are thankful to the Lord for how he provided and blessed us for the entire time we were there.

Go Camp and King's Kids

Ministry

In July we held a one week "GO Camp" with 37 children from various churches attending. The children were exposed to deepening their relationship with God, with topics

such as Quiet time, Intercession, Hearing the voice of God and much more. We have been hearing back from parents and the children that the changes have been positive and consistent so far.

While the Go Camp was underway the King's Kids year round team was serving as leaders in the camp. It was good to see Sarah leading Worship and Intercession. When the Camp kids left, the year round team continued their outreach at a local Church, where they did evangelism, church ministry and mercy ministries in an area called " Pearls" It's was amazing to see the different giftings that came out.

Summer Teams

We are thankful to the Lord for the two teams we had this summer from the U.S.A. (El Paso and New Jersey) They impacted the children, and adults in the communities of Chantemelle and Rose Hill with the word of God. Some of the ministry activities they were involved in were: Discipleship Seminar for Christians, Vacation Bible School, Night Crusades and Work Project (painted the campus and helped build a foundation for a single parent).

David the guy in the photo lives in the community of Rose Hill. He was involved in drugs, and drinking was his life. He came to attend a movie we were showing the community one night, but unfortunately he arrived after the movie. He proceeded to tell about a dream he had recently, he saw himself involved in a very horrible accident. He knew it was the Lord speaking to him, so he came to receive the Lord in his life. This was an amazing story, since we have been fasting, praying and going into that community since 2006. He has asked me to disciple him and what a joy it has been so far. On Carnival Monday and Tuesday (time of reveling and immoral behaviour) he came up to the campus ready for our time together (even though it was raining heavily one day, if you know Grenadians one thing they say about them is that they do not like rain and would stay home instead), he has been so eager to learn and passionate about the Lord.

Caribbean Leadership Conference

In May we met as Caribbean Leaders in St. Croix where I (Shamus) was commissioned and given an added role as being the “South Eastern Caribbean Director.” over the islands of Antigua, Barbados, Trinidad, Guyana, and St. Vincent. This means I will be traveling once a year to these locations doing more pastoral care with the leadership and staff on these campuses.

Prayer Request:

For God’s protection over us as a family and for good health

For David that he would continue to be passionate about the Lord and eager to learn

For Shamus in his new role of “South Eastern Caribbean Director.”

***Upcoming Events: *Staff retreat Aug 17-21st**

***DTS and Staff training Sept.7th– Sept. 18th**

***DTS starts Sep 21st**

THANK YOU for your many prayers and support. May God’s continued blessings be upon you! Love, Shamus, Sherry, Sarah, Anna & Lydia

Financial Support

There are approx. 20,000 full time YWAM workers, No YWAM staff, from the president to the youngest staff person, receives a salary. We rely on the support of family and friends. This is so that we could create a deeper relationship and partnership with other members of the body of Christ, in working together for the glory of God. So we are dependant on the generosity of people like you.
