SUMMARY:

Trinity Bible Church of Ottawa (TBCO) is a healthy and vibrant congregation with a large population of children. In past summers TBCO has run a one-week camp including sports, activities and VBS programming, with attendance of up to 120 children. In the summer of 2021, due to the COVID-19 pandemic, we modified our traditional in-person Camp experience and ran 4 weeks of full-day camp from 9 am to 3 pm, with a maximum attendance of 25 children per camp. In 2022 we hope to run 2-3 weeks of camp with larger numbers, following covid guidelines. We are also hoping to run a “Family Fun Night” for parents and children on an evening during the first week of August, and students will also assist in preparing and running that event. Successful applicants must attend TBCO’s Plan to Protect Training session, offered at TBCO in June (or online, depending on instructor availability).

SCOPE OF RESPONSIBILITIES:

While not limited to the following, the summer students will perform these duties:

- Design and prepare the camp experience for children ages 5 to 11, following government restrictions and guidelines as appropriate
- Assemble and prepare materials and decorations for camp (crafts, games, activities, etc.)
- Lead and run the camp experience for campers during the designated camp weeks (dates to be confirmed in July and/or August). Counsellors will assume any or all of the following types of roles, based on experience and talent:
 - Station leader
 - Small group leader
 - Drama and skit leader/participant

- Music and singing leader/participant
- Sound or projection technician (training provided)
- Assist in planning and running a “Family Fun Night” on the church property, including games, crafts, water elements/games, campfire and/or other activities. Note that the student will need to be available in the evening on the day of this event, and hours will be adjusted accordingly that week.
- Other duties related to the camp or children’s ministries, as required (example – cleaning projects, outdoor work around the grounds, fall programming preparation)

REQUIRED EDUCATION, EXPERIENCE AND SKILLS

Successful candidates must possess the following skills, experience and qualifications:

- Experience working with children in a Sunday School and/or summer camp setting;
- A positive and enthusiastic attitude that demonstrates a willingness to take on tasks in an environment that could change rapidly;
- Ability to work collaboratively in teams;
- Ability to show high energy and creativity to produce a Christian camp experience;
- Good communication skills and the ability to relate well with children;
- Must be age 15 to 30 on July 4, 2022 (requirement of the federal government program that is providing wage subsidy for positions)
- For applicants 18 years or older, a valid police check for the vulnerable sector is required.

PREFERRED QUALIFICATIONS

- Experience working at past TBCO summer camps or in TBCO regular children’s programming
- Musical abilities (singing, leading songs, playing an instrument) and/or experience with drama (leading skits or camp “stations” in character) would be considered an asset
- Graphic design and/or organizational experience with social media management
